

Have you been stimulated yet?

Well, if the Government Stimulus Package wasn't enough for you, just take a look at this.

If you are over 55 and looking to move up to a new home and an enhanced lifestyle, the time is right. With the Government Stimulus Packages being offered to first home buyers and interest rates at an all time low, houses are selling! We are offering a special stimulus package to over 55's ready to sign up for a new home in our newly released Stage 3.

Place a \$2,000 refundable deposit on a new home before 30th June and you could save up to \$35,000 on your new home. Plus, if you settle on completion, you will receive a welcoming pack worth up to \$14,000 absolutely free.

Depending on your choice of home, your welcoming pack could include some or all of the following:

- New curtains
- New fridge/freezer
- New washing machine
- New microwave
- New dishwasher
- New Plasma TV

Call now to discuss the possibility of moving into your new home before Christmas this year as numbers are limited.
